

Dear Brethren

13th July, 2015

I send you greetings in the blessed name of our Lord and savior Jesus from Yakoko. This year 2015 of our Lord has been a blessing. It has been a year full of activities of which a good number of successes have been achieved. These successes have been realized by the help of God Almighty whom we serve and also you up there. Your assistance in the area of mission support and moral support cannot pass without mentioning. We are waiting for your visit May God blesses you all.

BUILDING

By God's grace and your help, we have been able to complete about 65% of the Church Building, we have not been able to screed the floor and also do plastering of the blocks both inside and outside of the building. The economy is so bad that most Christians in the villages find it difficult to give to support the Lords work, hence we are pleading with you to come to our aid to complete this Building for the Lord. We will need about \$ **1800** to complete the rest. A bag of 50kg cement is sold at 35 Ghana Cedis (**\$9.00**) and we need about 120 bags.

Passionate Appeal

1. Christian Hymns Books for the Church
2. Bibles for the rural Preachers(English)
3. Used dresses for the poor / Reading glasses
4. Lords Supper trays
5. Support to purchase 5 Bicycles for rural Missions (\$50 Dollars each)
6. Laptop computer for the Yakoko Church (\$425)

7. Religious reading books for members / Preachers

Please, these are our **needs** and not our **want**. But we must not lose hope, we must remember that God is the ruler of the Universe and that His word will go into all parts of the World. He will provide a way for us to do His will. We must continue to pray and be ready to do what we can when He is ready to use us. Please, remember nothing is too small.

It is my constant prayer that our Loving Father will continue to smile upon us; to bless and guide our efforts to teach His word; and to carry us safely in the palm of His gentle hand. Amen and Amen.

I end here in Christian love,

Francis Kojo Agyare
